# SPERARE

1992

I Wake To Sleep, And Take My Waking Slow.  
I Feel My Fate In What I Cannot Fear.  
I Learn By Going Where I Have To Go.

We Think By Feeling. What Is There To Know?  
I Hear My Being Dance From Ear To Ear.  
I Wake To Sleep, And Take My Waking Slow.

Of Those So Close Beside Me, Which Are You?  
God Bless The Ground! I Shall Walk Softly There,  
And Learn By Going Where I Have To Go.

Light Takes The Tree; But Who Can Tell Us How?  
The Lowly Worm Climbs Up A Winding Stair;  
I Wake To Sleep, And Take My Waking Slow.

Great Nature Has Another Thing To Do  
To You And Me; So Take The Lively Air,  
And, Lovely, Learn By Going Where To Go.

This Shaking Keeps Me Steady. I Should Know.  
What Falls Away Is Always. And Is Near.  
I Wake To Sleep, And Take My Waking Slow.  
I Learn By Going Where I Have To Go.

## ROGER WILLIAMS COLLEGE

One Old Ferry Road  
Bristol, Rhode Island 02809-2921 (401) 254-3201

Office of the President

To the Class of 1992:

Each graduating class is unique and therefore, special. Members of the Class of '92 have made your own contributions to Roger Williams College, and it is a better place because you were here.

Now it is time to look to the future. What can you take from the Roger Williams College experience that will serve you well in your life beyond Commencement?

First, there is your education itself -- education in the broadest sense. That which you have learned about your academic disciplines, in the classroom and libraries; that which you have learned about life; and most importantly, that which you have learned about yourself -- no man or woman can ever take away that knowledge. Resolve now to remain excited about learning for its own sake for the rest of your life.

Next, there is the genuine and lasting self-esteem that comes from meeting and overcoming new challenges, as you have done at Roger Williams College. Armed with the self-confidence bred by your accomplishments here, go forward convinced that you can and will succeed in future endeavors.

Finally, your diploma confers responsibility to contribute - to your profession, your community, your state, nation and the world. The life devoid of service has little or no meaning. Seek out the people and causes for which your special skills can make a difference, and as the Rotary International motto reads, "Look Beyond Yourself."

As you leave Roger Williams College physically, you join a larger College community of more than 11,000 alumni throughout the nation. They constitute an enormous resource from which you can benefit, and to which you will contribute. The accomplishments of our alumni are a source of pride which you will carry with you throughout your career -- a legacy which you will enhance for those who follow you to Roger Williams College.

Congratulations, and best wishes.

Cordially,

Natale A. Sicuro  
President

Final crits are approaching and as signs in the studio say, "These next two weeks separate the men from the boys." Students have been up for days on end already and this is where physical fitness plays into successful architecture, however, we have faith in our proud young architects, and they will triumph.

## School Of Engineering

*The School of Engineering's goal for the year was to gain accreditation for two of its engineering majors. To prepare for accreditation the School needed to increase the size of its library holdings. This was done by raising money for the George Alden Trust fund. If the school could raise \$100,000 in new and increased donors the fund would give \$50,000. This goal was met in late November.*

# 1992 Commencement Ball

The 1992 Commencement Ball was held on April 25 at the Copley Plaza Hotel in Boston. The night was chilly and a little damp but that didn't keep the graduates and their dates from having the time of their lives. The Copley Plaza was beautiful and everyone checked into their rooms amid laughter and greetings. Not more than a couple hours later, all those who had just recently been in jeans and sweatshirts looked like they had been visited by their fairy godmother. Everyone gathered for cocktails and hor d'oeuvres before dinner. No matter how many Snowballs and Valentines dances everyone had attended, nothing could have prepared them for how handsome and beautiful their classmates looked that night. It was as if by moving the entire class from Bristol to Boston they had walked through a curtain into a different time. Krista and the executive advisory board had put their all into the evening and it was a rousing success. From check-in at 3 on Saturday to check-out at 11 on Sunday everyone danced, dined, drank and had an altogether great time. Our thanks to those who worked so hard.

# Graduation 1992

The class of 1992 graduated with much cheering and happiness on May 16, 1992! While the graduates sat with ill-concealed excitement, Mario Gabelli told them that they were the stars of the future. Mr. Gabelli, a wall-street financial whiz, saw a Nick Nolte and a George Bush as well as many other future people of fame and glory in the crowd that day. Denise Conti, President of the class of 1992, also spoke. Denise has become, as well as a great leader, a good friend to many members of the class. Nicole Peitrini, Vice-President of Alpha-Chi, shared failures as well as successes with her fellow classmates. All-in-all the class of 1992 left what had been their home the last four years, with hope in their hearts and their feet on the path to the future.

We follow in the footsteps who sought fame.

We look to the future with the past in mind;  
we make our dreams come true.

*While Creating This Book Of Memories, I Yelled Once Or Twice, Drove My Staff Crazy, Stressed Out And Worked Tremendously Hard To Produce A Yearbook That We Can Look At Years From Now And Be Proud Of. The Creation Of Sperare Couldn't Have Been Possible Without The Help Of Some Very Hard Working, Patient And Dedicated People.*

*I Would Like To Thank Tony Ferreira For Answering All My Trivial Questions, Lending Sound Advice And Being Very Supportive And Helpful Throughout The Year.*

*Thanks; Erica, Jen, Cori, Mary, Marie, Mark, Candi, Devin And Shannon For Stuffing Envelopes, Snapping Pictures, Typing Copy, Designing Layout, Selling Yearbooks And Always Lending A Hand When Needed.*

*Thanks Neil And The Messenger For Allowing Me To Use Many Of Your Photographs For Sperare During My Crazy Deadlines. Thank You Tony Avila, From Avila's Studio, For Providing Great Photographs And Meeting Our Deadlines On Time.*

*Thanks Norv Garnett, Jostens' Representative, For Coming To Our Rescue With Creative Layout Designs And Always Being Available And Supplying Answers For All My Panic Questions.*

*I Would Also Like To Acknowledge And Thank Gary Melino Of APS Photography For Providing Sperare With Photographs Of The Commencement Ball. Gary Will Be The Photographer For The 1993 Yearbook.*

*Thanks, Dave Kemmy And The RWC Athletic Department For Allowing Us To Use Some Of Their Sports Photographs And Other Sports Information.*

*I Also Want To Thank My Mom And Dad For Always Standing By Me And Believing In Me 100%. Thanks.*

*Dolores M. Del Padre  
Editor-In-Chief*

# A NOTE OF THANKS . . .

Go Placidly Amid The Noise And The Haste, And Remember What Peace There May Be In Silence.

As Far As Possible Without Surrender Be On Good Terms With All Persons.

Speak Your Truth Quietly And Clearly; And Listen To Others Even The Dull And Ignorant; They Too Have Their Story.

Avoid Loud And Aggressive Persons, They Are Vexations To The Spirit.

If You Compare Yourself With Others, You May Become Vain And Bitter; For Always There Will Be Greater And Lesser Persons Than Yourself. Enjoy Your Achievements As Well As Your Plans.

Keep Interested In Your Own Career, However Humble It Is A Real Possession In The Changing Fortunes Of Time.

Exercise Caution In Your Business Affairs; For The World Is Full Of Trickery.

But Let Not This Blind You To What Virtue There Is; Many Persons Strive For High Ideals; And Everywhere Life Is Full Of Heroism. Be Yourself. Especially Do Not Feign Affection.

Neither Be Cynical About Love; For In The Face Of All Aridity And Disenchantment It Is As Perennial As The Grass.

Take Kind The Counsel Of The Years, Gracefully Surrendering The Things Of Youth.

Nurture Strength Of Spirit To Shield You In Sudden Misfortune. But Do Not Distress Yourself With Imaginings.

Many Fears Are Born Of Fatigue And Loneliness. Beyond A Wholesome Discipline, Be Gentle With Yourself.

You Are A Child Of The Universe, No Less Than The Trees And The Stars; You Have A Right To Be Here.

And Whether Or Not It Is Clear To You, No Doubt The Universe Is Unfolding As It Should.

Therefore Be At Peace With God, Whatever You Conceive Him To Be.

And Whatever Your Labors And Aspirations, The Noisy Confusion Of Life Keep Peace With Your Soul. With All Its Sham, Drudgery And Broken Dreams, It Is Still A Beautiful World.

Be Cheerful. Strive To Be Happy.
